## **MEBA Medical & Benefits Plan IMPORTANT NOTICE**

Children's Health Insurance Program Reauthorization Act of 2009 ("CHIPRA")

October 16, 2019

The Children's Health Insurance Program Reauthorization Act of 2009 ("CHIPRA") became effective on April 1, 2009. Among other things, CHIPRA requires employers that maintain group health plans to notify their employees of certain rights they may have under the new law. Because you get your medical benefits from the MEBA Medical and Benefits Plan, the Plan is sending this notice to you.

Under CHIPRA, states may establish programs to assist people who are eligible for employer-sponsored coverage but who cannot afford it. This notice must be provided to all employees residing in a state that offers such a premium assistance program, even if the health plan in which a particular employee is currently enrolled does not require an employee premium or employee contribution.

The attached notice, which describes your rights under CHIPRA, lists the states that presently offer premium assistance programs. Please read it carefully. If you have any questions, please contact the Plan Office at 410-547-9111 or 800-811-6322.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility –**
